Greetings from Camelot,

Rose and Gene Galli founded Camelot School in 1969. It continues to be a family run business that has a tradition of quality care and academic excellence. Camelot is located less than five minutes from the intersection of route 31 and I-295, off of Bull Run Road, convenient yet tucked away in a quiet, residential neighborhood. We are open year-round (except for the week before Labor Day) from 7:00am until 6:00pm and offer a full or part-time pre-school program for children ages two and a half to five years old. Our full-time program includes snacks and lunch and various special activities. We offer full and half-day programs with flexible scheduling from 3 to 5 days a week.

There are many reasons why Camelot has earned an outstanding reputation. We have an excellent facility, an exceptionally low staff turnover and a warm family atmosphere. Our teaching staff is our greatest asset; we have low staff turnover and our main teaching staff has been with us and average of 8 years. Our staff is often made up of former students and some of our staff have had children attend Camelot. Our staff works as a team and has created a nurturing and positive educational environment that is evident as soon as you walk in the door.

In addition to our academic program, we offer gymnastics, soccer, bike riding, t-ball, a music program and water activity during the summer. We involve the whole family with evening activities that include, a Halloween party, winter song sing-a-long, movie nights and an end of summer Hawaiian Luau. All of these extra activities are included in the monthly tuition fee. We are proud of what we have created at Camelot and look forward to the possibility of your child becoming one of our students.

Sincerely,

Susan Galli M.Ed.

Tuition Payment Agreement 2024-2025 School Year

The monthly tuition for the 2024-2025 school year, which commences on September 1, 2024 and ends on August 31, 2025, is as follows:

	Full Day:	Half-Day with Lunch:	Half-Day without Lunch:
5 Days	1363	956	866
4 Days	1254	867	801
3 Days	1028	718	669

***** Although unlikely, we reserve the right to raise tuition during the school year. While we do our best to try to keep tuition as low as possible, unexpected changes in regulations and legislation may require us to adjust. Notice will be given in advance.**

Half Days are either morning or afternoon session. Pickup for the morning session without lunch is by 11:30am for children in the 3-year-old group and by 12:00pm for children in the 4-year-old group. Pickup for the morning session with lunch is immediately after your child's scheduled lunchtime. Drop off for the afternoon session is not to be before 2:00pm (see below under *Attendance and Pickup Times* for more detail).

Extra Days and Time will be billed as follows:

\$91.00 Per Day

\$64.00 Per Half-Day with Lunch

\$59.00 Per Half-Day without Lunch

\$ 10.00 Extra Lunch (This also includes the extra time for lunch)

TUITION

- In principle, we base the tuition upon the fact that we have made Camelot School available for your child for the attendance schedule that you reserved. As general principle, we do not bill hourly, daily, or weekly. The Extra Time billing, and other additional charges are in place to handle attendance or circumstances outside the scope of standard tuition and/or service.
- **Tuition is due the first day of the month that your child attends school.**
- **Tuition is monthly. We do not give credits for partial attendance during the month.** We, at our discretion, may consider reduced tuition if notice is given prior to the 15th of the preceding month. In this case, students will be billed at the Extra Time Rate and this will be due the first of the month. Partial Month Tuition will not be considered if your child attends at the beginning of the month and also attends at the end of the month. **The minimum monthly charge per child is \$300.** The minimum monthly charge is also used to hold the spot open during a temporary leave from Camelot.
- **If tuition is not received in full by the 5th of the month, we will impose a \$25 additional tuition fee.** This fee will be considered additional tuition for the month that the tuition is due. Checks that are post-dated after the 5th of the month will be considered as late payments. Any payments that we cannot deposit by the 5th of the month will be considered late payment.
- Payments are applied to the invoices that you designate.
- Past due tuition will incur a finance charge of 1.5% per month (18% Annual Percentage Rate).
- Returned checks will incur a \$30 fee. Any checks for which a stop payment is issued without due cause, we will levy a \$50 fee. **If we receive two (2) returned checks for payment of tuition for any reason, we will require that all future tuition is to be paid with certified check or money order.**
- There is a 10% discount for multiple children. All children must at least attend 3 Full Days or 3 Half Days in order to qualify for this discount. There is no discount for partial month attendance or Extra Time. We do not apply multiple discounts. We cannot apply the Multiple Child Discount to children that receive third party payments or subsidy payments.
- We discourage the payment of cash for the payment of tuition under most circumstances. We do accept money orders.
- **If you plan to permanently or temporarily withdraw from Camelot, we require that notice be given by the 15th of the preceding month.** Under no circumstance will credit towards tuition be given if a child begins a month and withdraws without prior notice.
- **It is very unlikely, but, in the event of unforeseen and unusual circumstances we reserve the right to raise tuition as necessary during the school year.**

ATTENDANCE AND PICKUP TIMES

- We cannot swap days for part-time attendees. If you need your child to attend on a non-scheduled day, please verify with us beforehand that it is okay. **This will be billed as extra time. There are no exceptions to this policy.**
- Children must be picked up by 6:00pm. For time after 6:00, we will charge \$15 for up to the first 5 minutes and \$1.00 per minute thereafter. This is used to directly reimburse our staff.
- Half Days are either morning or afternoon session. Pickup for the morning session without lunch is by 11:30am for children in the 3-year old group and by 12:00pm for children in the 4-year old group. Pickup for the morning session with lunch is immediately after your child's scheduled lunchtime. In the event a 3-year old child has a 4-year old sibling, they both may be picked up in accordance with the 4-year old pickup time. If your child is picked up late for the morning session, it will be billed as extra time; the billing rate is \$4.00 for every 15-minute increment, with a maximum amount set at \$59 (extra half-day without lunch). If lunch has to be provided for a late morning pickup, the maximum will then be \$64 (extra half-day with lunch). Drop off for the afternoon session is not to be before 2:00pm. If you need your child to attend beyond the standard half-day hours on a regular basis, it needs to be discussed beforehand and then put in written form; there will be an additional monthly tuition charge for any extra time.
- If you need to change your child's schedule, you must notify us in writing (email is acceptable and preferred) by the 15th of the preceding month. You will be given a new tuition invoice, for your review, which will reflect the change.

LEGAL RESPONSIBILITY

- In the event that you are in default in the payment of any tuition and we are compelled to enforce our rights in any Court, you agree to be responsible for our reasonable attorney's fees and all other litigation related expenses.
- We are not bound by any Court Order, Judgment, or Agreement, between persons responsible for the tuition of any child.
- Expulsion Policy: We reserve the right to expel a child from Camelot School in the event of continual and habitual non-payment of tuition. We also reserve the right to expel a child from Camelot School if the child continually presents a danger to themselves or others and we feel that it is not in our control to properly manage such behavior. Additionally, if a family member or person associated with a child that attends Camelot is considered to pose a threat to the safety of staff or children of Camelot School, or unduly impacts Camelot School in a negative manner as to disrupt the normal operations of Camelot School, we reserve the right to expel the child or children in order to distance Camelot School from any possible harm. Every matter that may result in expulsion will be dealt with on an individual, case-by-case basis.

MODIFICATIONS

- **All arrangements that do not conform to the standard for attendance or payment of tuition must be in written form.**
- All inquiries regarding modifications to the standard monthly attendance must be directed to David Galli, Business Manager of Camelot School.
- If you would like further explanation of our policies, please refer all questions to David Galli (david.galli@camelotschool.net), Business Manager of Camelot School.

MISCELLANEOUS

- There is a **\$75 Annual Registration Fee**. This fee is not refundable. It needs to be paid upon initial registration and returned with your Registration Form. All registration fees expire on August 31st, the end of our school year. For current enrollees, the Annual Registration Fee is due by September 1st of every year that your child(ren) attend(s) Camelot School.
- **We will not allow daily drop-ins at the Extra Time Rate for Summer 2024** (July and August), unless your child is attending for the full month and needs to attend additional days.
- **We will be closed Monday, August 26, 2024 through and including September 2, 2022** for maintenance and renovation. We will reopen on September 3, 2022. Camelot has always closed the week prior to Labor Day in order to perform repairs and maintenance that cannot be done while children are present.
- Upon request, we will provide receipts for tuition or other payments. The preferred delivery method is via e-mail.

SAFETY

- Please TURN OFF your car when you escort your child into the building. If you plan on spending an extended period of time in the school, please park at the end or side of the street.
- It is very important that you obey all traffic rules and speed limits when driving in the Flower Hill development.

WHAT YOUR CHILD NEEDS WHILE AT SCHOOL

- All clothing should be labeled. A spare outfit, including socks, underwear and a complete outfit should be placed in a paper grocery bag marked with your child's name on the outside.
- Please provide a blanket with your child's name on it, for their naptime. Blankets, soft toys, pillows etc. should be placed on your child's cot when they arrive in the morning if they do not remain at the school. As we wash the sheets every week, all children's blankets are placed on a table in their classroom for them to take home on Fridays.
- During the summer session when the pool is open, please dress your child with their bathing suit under their clothing for their morning swim. Please place a pair of underwear and two towels in a plastic bag, with all items clearly labeled.
- In the summer, hats and sun lotion are encouraged sunglasses are not. In the winter mittens are much easier for the children to put on than gloves. If they bring waterproof outerwear and snow boots they will be allowed to play in the snow.
- Children who arrive at the school prior to 8:30 am may bring in breakfast, milk for their cereal is provided.

RECOMMENDATIONS

- Drop off your child by 8:45 am at the latest. It gives them time to settle in, play with their friends and get comfortable with their surroundings.
- A structured drop off ritual decreases a child's anxiety and eases adjustment. Routine and consistency is comforting to most children, especially in the morning.
- If you plan on picking your child up early **DO NOT LET THEM KNOW!** Children do not have a developed concept of time; they will have an unsettled day wondering when you are coming, and why you aren't there yet.
- Talk to the teachers if you have any questions or concerns, we are here to make your child's preschool experience as enjoyable and enriching as possible.

DEVELOPMENTAL OBJECTIVES FOR CHILDREN ATTENDING CAMELOT SCHOOL AT THREE YEARS OF AGE

The following are the objectives for the academic year that the daily, weekly and monthly lesson plans are based on. These core objectives are developmentally appropriate for the average three to four-year-old. Regular staff meetings are held during the year to discuss if the objectives are being met and changes to the lesson plans are implemented if necessary. Discussions are also held to develop alternative activities and strategies if any individual falls outside the normal range of development during the year. The objectives are subdivided into three areas, cognitive, social and motor skill development.

COGNITIVE DEVELOPMENT

Demonstrate the ability to recognize the child's first name in print.

Correctly identify at least ten letters of the alphabet in print.

Correctly identify at least five shapes.

Correctly identify at least seven colors

Recite in correct sequence the numbers one to ten

Correctly separate out five objects from a larger group of objects that are all similar in size shape and color.

Recite the seven days of the week in the correct sequence beginning with Sunday.

Demonstrate the ability to place in correct categories objects of similar size (large versus small), similar type (such as birds versus fish) similar color and similar use (things used in the kitchen versus things used in the garden).

Answer basic questions regarding the content of a story read to them demonstrating an understanding of the plot, characters and story line.

Demonstrate successfully the ability to complete a task with three concurrent directions given at the start of the activity.

The method for fostering the cognitive development of each child is through weekly thematic presentation of concepts during project and circle time. Each theme offers the opportunity to promote numeracy and literacy learning in a varied way to engage the child. Daily calendar, weather review, and alphabet flash card review offer the necessary repetition to foster cognitive development of basic skills.

The method for determining if the desired objectives have been achieved is through tests using flash cards and student/teacher interviews. A standard test is given at the beginning of the year and at the end of the school year to each student for comparison. Results are then presented to the child's parent or guardian at the end of year parent teacher conferences. Any irregularities in cognitive development are brought to the attention of the parents immediately.

SOCIAL DEVELOPMENT

Demonstrate pro-social behavior including the ability to share, take turns, forgive, apologize and show consideration for others feelings.

Use good manners on a regular basis without prompting. The proper etiquette to include, saying please thank you, and excuse me.

To play cooperatively in both small group and large group activities, behavior should include; taking turns, sharing, participation in dialogue and the ability to participate during "free" play time with others beyond parallel play.

Demonstrate the foundations of the necessary skills to manage aggression, anger and frustration.

The method for promoting positive social development of the children in the class is through positive reinforcement of proper behavior, verbal reminders of good social behavior, teachers setting a good example of behavior and reading stories, doing activities and initiating discussions that touch on the concepts of prosocial behavior.

The method for testing if the objectives are being met is through observation of general class behavior and constructing situations that can be monitored to record the specific social interactions. Summaries as to each student's social development are included in the final school report. Any irregularities in a child's social development are brought to the attention of the parents immediately.

FINE AND GROSS MOTOR SKILL DEVELOPMENT

Perform fine motor skill activities with proper technique and accuracy including, using pencils, scissors, glue bottles, paint brushes and project materials

Demonstrate proficiency in using small manipulatives including counting beads and disks, threading cards, magnets, Lego and building blocks.

Use the computer mouse correctly to execute simple computer activities.

Perform gross motor skill activities including throwing and catching a soft rubber ball, jumping on two feet forward and backward, walking on a balance beam and galloping.

Demonstrate the necessary coordination to clap in time to simple music, kick a ball, and hop on one foot.

The method for gross motor skill development is through both structured physical activities and unstructured playtime in the gym and playground. The method for fine motor skill development is through performance of a variety of projects in the daily curriculum that utilize materials including scissors, paint, glue pencils and crayons. During directed class time play, a variety of small manipulatives are made available for the children to work with.

The method for testing the effectiveness of the curriculum in reaching the desired objectives is through collecting and comparing samples of work completed throughout the year and end of year worksheets and skills tests that demonstrate the abilities and accuracy of the child in task performance.

By assessing each student at the beginning and end of year we are able to provide parents with detailed information regarding their child's progress, areas of strengths and areas requiring further development. Detailed information is vital when making decisions pertaining to the child's transition to pre-kindergarten, the possible need for any early intervention and most importantly, insuring we are engaging and challenging each child so that they may develop to their full potential.

POLICY ON THE RELEASE OF CHILDREN

Each child may be released only to the child's parent(s) or person(s) authorized by the parent(s) to take the child from the center and to assume responsibility for the child in an emergency if the parent(s) cannot be reached.

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the center shall secure documentation to that effect, maintain a copy on file, and comply with the terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fails to pick up a child at the time of the center's daily closing, the center shall ensure that:

1. The child is supervised at all times;
2. Staff members attempt to contact the parent(s) or person(s) authorized by the parent(s); and
3. An hour or more after closing time, and provided that other arrangements for releasing the child to his/her parent(s) or person(s) authorized by the parent(s), have failed and the staff member(s) cannot continue to supervise the child at the center, the staff member shall call the *24-hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873)* to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick-up the child.

If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:

1. The child may not be released to such an impaired individual;
2. Staff members attempt to contact the child's other parent or an alternative person(s) authorized by the parent(s); and
3. If the center is unable to make alternative arrangements, a staff member shall call the *24-hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873)* to seek assistance in caring for the child.

For school-age child care programs, no child shall be released from the program unsupervised except upon written instruction from the child's parent(s).

Policy on the Management of Communicable Diseases

- Severe pain or discomfort
- Acute diarrhea
- Episodes of acute vomiting
- Elevated oral temperature of 101.5 degrees Fahrenheit

- Skin lesions that are weeping or bleeding

Once the child is symptom-free, or has a health care provider's note stating that the child no longer poses a serious health risk to himself/herself or others, the child may return to the center unless contraindicated by local health department or Department of Health.

EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others.

Note: If a child has chicken pox, a note from the parent stating that all sores have dried and crusted is required.

If a child is exposed to any excludable disease at the center, parents will be notified in writing.

COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center. The Department of Health's Reporting Requirements for Communicable Diseases and Work-Related Conditions Quick Reference Guide, a complete list of reportable excludable communicable diseases, can be found at:

http://www.nj.gov/health/cd/documents/reportable_disease_magnet.pdf.

CAMELOT SCHOOL EXPULSION POLICY

Unfortunately, there are reasons that we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following gives clarification to the Expulsion Policy clause in our Tuition Payment Agreement and gives further explanation as to why we would have to expel a child from this center and how we would go about doing so:

IMMEDIATE CAUSES FOR EXPULSION:

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children

PARENTAL ACTIONS FOR CHILD'S EXPULSION:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.
- Verbal abuse to other parents.

CHILD'S ACTIONS FOR EXPULSION:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/ angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Is continually at risk of causing harm to themselves, other children, or staff.

SCHEDULE OF EXPULSION:

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/ guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on risk to other children's welfare or safety). If the actions of the parent or child are of a severe enough nature,

expulsion must be immediate. Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A PARENT/GUARDIAN WILL NOT HAVE THEIR CHILD EXPELLED SOLELY FOR:

- Making a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reporting abuse or neglect occurring at the center.
- Questioning the center regarding policies and procedures.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSION:

- Try to redirect child from negative behavior.
- Reassess classroom environment, appropriateness of activities, supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality.
- Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion.
- Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.
- Give the parent literature of other resources regarding methods of improving behavior.
- Recommend an evaluation by professional consultation on premises.
- Recommend an evaluation by local school district study team.
